April 29, 2010

To our valued customers:

As every year, the LIGHTHOUSE and KABE country album supplements for the preceding year are about to be released in the United States. Rest assured that we will do our utmost to send them to you as soon as we possibly can. To answer some of the questions you might have please find below an overview of expected ship dates for supplements.

Starting Mid-May USA, Canada, UNO, European countries except Yugoslavia, Russia, Hungary and overseas possessions

Starting July until September Israel, Asia, Central and South America, Africa, remaining European countries and overseas possessions

Please understand that we cannot provide exact dates because the duration of our deliveries from Germany has recently increased due to intensified security measures and is influenced by U.S. Customs and other factors beyond our control. Also, while we do hire additional help during peak periods we *are* faced with a large number of orders. As usual, we will serve our subscribed collectors first and will subsequently ship all orders on a first come-first served basis. Therefore, we are encouraging you to place your order soon.

LIGHTHOUSE is offering a subscription service which eliminates the guesswork and follow-up regarding the album supplements for your collection. When you enroll in this convenient service we guarantee that, every year, we will automatically ship your annual supplements as soon as we receive them in our warehouse - no need to place an order or to worry about shipping dates. You can be sure you will be among the first to receive the supplements you selected. Of course, this service is offered free of charge and you may cancel it at any time – no questions asked!

If you have any further questions or if you would like to get onto our subscriber list please call our Customer Service at 888-269-1513, e-mail us at info@lighthouse.us or simply fax or mail us the attached form.

Sincerely,
The team of LIGHTHOUSE PUBLICATIONS, INC.
