*To our valued customers:*

As every year, the **LIGHTHOUSE** and **KABE** country album supplements for the preceding year are about to be released in the United States. Rest assured that we will do our very best to send them to you as soon as we possibly can. Please review the information below as it provides an overview of expected ship dates for the supplements.

Starting June            USA, Canada, UN, European countries except Yugoslavia,  
Russia, Hungary and overseas possessions

Starting July            Israel, Asia, Central and South America, Africa, remaining European  
until September       countries and overseas possessions

Please understand that we cannot provide exact ship dates because the duration of our deliveries from Germany is influenced by US Customs, intensified security measures, and other factors beyond our control. Also, while we do hire additional help during peak seasons we *are* faced with a large number of orders. As usual, we will serve our subscribed collectors first and will subsequently ship all orders on a first come-first served basis. Therefore, we encourage you to place your order as soon as possible.

**LIGHTHOUSE** is offering an **Automatic Supplement Subscriber** service, which eliminates the guesswork and follow-up regarding the album supplements for your collection. When you enroll in this convenient service we guarantee that, every year, you will be among the first to receive your supplements. As soon as we receive them in our warehouse, we will automatically ship your annual supplements to you. Of course, this service is offered free of charge and you may cancel it at any time – no questions asked!

If you have any further questions or if you would like to enroll in our **Automatic Supplement Subscriber** program, please call one of our **Collector Support Specialists** at 888-269-1513, email us at [info@lighthouse.us](mailto:info@lighthouse.us) or simply mail or fax the enclosed enrollment form to 201-342-7142.

*Sincerely,*

*The team at LIGHTHOUSE PUBLICATIONS, INC.*
